come liable? he might be sued before the rate. Governor in Council should appoint. After some the Council adjourned. read a memo, which he had addressed on the subject in October last to Mr. Mercer, which If they tell truth and avow themselves a evament the onus of hunting up information

address at one and the same time, they will seived similar replica. Mr. Gibb saw no objection Daptain Meyer Derick for \$11 wages, that were supply the antidote with the poison and will to make owners responsible, if notice were due him. His Honor, after listening through a given before the commencement of each quar long harangue of unintelligible broken English, given before the commencement of each quar long harangue of unintelligible broken English, ter, if there were a house to house collection. highly seasoned with Dutch, which was delivered We are glad to inform the public that arrangements have in the Fublic Gardenes, Mr. Bull, who was there to speak performances in the Fublic Gardenes, Mr. Bull, who was there to speak about as how for himself, had given his opinion that tonjes has the chief ment of having brought this tonjes has the chief ment of having brought this to Col. Burna, pointing out that previous milities of content of the rates, pas cent. Mr. Whittall had become displeased with his sevant on deek. There were a house to house collection. In by the defendant, and in which ho repeatedly by the defendant, and in which ho repeatedly of the captain, and the steward soul he death of the captain, and the steward soul he death of the captain, and the steward soul he death of the captain, and the steward soul he death of the captain, and the steward soul he death of the captain, and the steward soul he death of the captain, and the steward soul he death of the captain, and the steward soul he death of the captain, and the steward soul he death of the captain had be left by the defendant, and in which ho repeatedly of the captain, and the steward soul he death of the captain had be left by the defendant, and in which ho repeatedly of the captain, and the steward soul he death of the captain had be left by the defendant, and in which was delivered by the defendant, and in which was delivered by the defendant, and in which he at the captain had be left by the defendant, and in which was delivered by the defendant, and in which he at the captain had be deft of the captain. But the captain had be left by the defendant, and in which was delivered by the defendant, and in which he at the captain had be deft of the captain. But the captain had become displeased with bits and was never told anything about it. Carlisles that be left but forgot that the captain had become displeased with his should be liable. The captain had become displeased with his should be seen allowed to provide the defendant, and in which he captain had be deft of the captain. But active sections, and

prefer the original section, altering the clause relating to twenty one days, so as to make the rates psyable between the first and last days of the first month of each quarter. As illustrating rangement, be said that whereas in 1865 F. M. Harsant and enother appeared as plain chado as to who had stabled him, and he and there were not less than 700 defaulters, tiffs against the following defendants for the swored. A hon (the first prisoner). He also during the first quarter of the present year,

The GOVERNOR said they must really proceed The COLONIAL TREASURES proposed a reso-lution involving the alteration he had already. referred to in the original section 4 [summary warrants], and called on the Acting Colonial-

Secretary to second his motion. The Acting Colonial Secretary did not see the purpose of the motion, as he understood that it was the intention of the Governor to direct that notices should be served on cach owner. He believed the object of the Treasurer was that the Chinese ratepayers should clearly know when they had to pay, and this motion did not inform them. It rested with the Governor in Council to any what the term should be.

he had said from the first, and the Council in the waisthand of his trousers.

he had said from the first, and the Council in the waisthand of his trousers.

he had said from the first, and the Council in the waisthand of his trousers.

he had said from the first, and the Council in the waisthand of his trousers.

Prisoner admitted his guilt. He said be things which might be compendiously summed that summarily, and it is to be hoped that the things which might be compendiously summed that summarily, and it is to be hoped that the action, whether by summary watrant or was very poor, and felt as if he would like a up as a design to produce a revolution by summary watrant or was very poor, and felt as if he would like a up as a design to produce a revolution by some will be found to be a reality indeed, by The Acting Attorney General then pro-

posed to strike out the fourth section and sub- received numerous reports of stolen fewls, but situte the new section. Mr. PARKY seconded this motion, and asked whether it was intended that the interest at the of distress in Wanch just now in consequence rate of 12 per cent, should be 12 per cent, per of the depressed state of trade. He thought The section was accordingly altered by the coolies at present out of employment and with introduction of the words per annum. The Acting Colonial SECRETARY was His Worship said prisoner could not

seen this question and procured the necessary information. The average cost of proceedings provided the matter went to execution, (and otherwise there would be no difference,) would be \$1.25 more in each case under the substituted section.

most satisfactory manner, but whother the Piracy to the poop and assect the boat wall will be proceeded with or not it was desirable to extend the powers of the Supreme Court in relation to certain offences, and as confederating with pirates, which were such as confederating with pirates, which were dealt with by that ordinance, and the present and A-hon, who had killed the captain. The ment in the contests likely to follow the pass-

Court of Summary Jurisdiction

BEFORE HON. H. J. BALL. The usual sitting was held yesterday morning where of property have in the nist message tor a supulated sum, and the captain of the venerable dictim. "Thank nover sow the chopper in anyone's possession God we have a House of Lords." In 1864 the attractive sections, and

The conversation then reverted to the alter—authority had no right to out them down, on board. Witness messed with the rest of the position was reversed, and Lord Russell gave at the sections, and
